

## **Flour Miller**

F.M. Brown's Sons is a 5<sup>th</sup> and 6<sup>th</sup> generation family managed company located in Berks County, PA. It is a multi-divisional business with modern manufacturing and sacking facilities for livestock and poultry feeds, small animal and pet foods, wheat flour and turn and agronomic seeds. In addition, we market fuel oil and coal and have a 520 acre farm where we custom raise dairy heifers and grow hay, corn, soybeans and wheat.
