Fleet Inspection Mechanic

Martin's Ag. Service Inc has an opening for a Fleet Inspection Mechanic. This can be a fulltime or part-time position depending on your interest and abilities. Full time position qualifies for full benefit package and part time for a partial benefit package. Tools are provided.

Key Responsibilities:

- Pa State inspection on class A, B, C vehicles and trailers.
- Fleet Servicing, including oil changes, air filters, tires etc.
- General repairs and maintenance of fleet vehicles and trailers.
- General repairs and maintenance of other equipment at the facility, including loaders, forklift, fertilizer spreaders, fertilizer mixers, and conveyors.
- Assist in other work as assigned.

Requirements:

- Valid Pa state inspection mechanic license for class A, B, C, and trailers including tank (N) endorsement.
- Minimum 3-5 years experience with vehicle inspections and vehicle repairs and trouble shooting.
- Ability to handle flexible hours at times-especially with emergency breakdowns.
- Willingness to support Martin's Ag. Service employee handbook.

Interested? Send a resume to keith@martinsag.com , or contact Keith by email or phone for any questions or to request an application form.
